Dear Brothers and Sisters,

Our next regular meeting will be held on Tuesday, June 13th, 2022, at 11:30 AM. It will be held at Houligan's Sports Grill, located at 1643 US Highway 1, Ormond Beach FL 32174. All brothers and sisters along with their spouses are welcome.

With the passing of Joe Steinbeck we still need to fill the Vice Chairman position. If anyone is interested please see me at the next meeting or reach out to me before then. I would like to have this position filled by our September meeting.

There are currently 19 members serving active duty, let's keep these brothers and sisters in our thoughts and prayers.

The yearly pension continuation letters went out in May and must be signed and notarized before June 16th in order to continue receiving your pension deposits.

The June meeting is the last meeting before we go into our summer break. Let's make this meeting a great turnout.

If there are any members that would like to attend our monthly meetings but do not have transportation or would like to carpool with someone in your area, please let me know and I will try to have someone in your area pick you up.

Dues for 2022 are still only \$15.00. Anyone who has not paid, please see Paul Dietrich at our next meeting or mail your dues to the address at the top of this page.

I wish everyone a safe and Happy Memorial Day

Fraternally yours,
Michael Manfredi

GENERAL MEMBERSHIP MEETING

MAY 11, 2023

In May we celebrate:

Armed Forces Day. This day is observed by many nations around the world to honor their military.

Mental health awareness month. This has been observed since 1949 and it serves to raise awareness about mental health, fight the stigma and educate the public and advocate for policies that support millions of people.

Memorial Day. Memorial Day was originally called Decoration Day. This is because people would decorate the graves with flowers, flags and wreaths for those who died in service to our country.

The Election of Officers will be held at the Javits Center on May 13, 2023. All There will be buses leaving from White Plains and Electchester throughout the day. All active members are urged to vote.

One serious injury since our last meeting. A member in the DBM divisions was found unconscious at the bottom of a 10' ladder. He sustained multiple injuries and while in the hospital contracted pneumonia. He continues to be in critical condition.

Several organizations toured our educational facility to understand how we educate our apprentices and Journeymen. These meetings are important to show companies like Equinor, an alternative energy company, that we have the facilities and workforce to work on the projects.

Many contracts in the Maintenance division and manufacturing are being negotiated.

There are employment opportunities in the City Division. Anyone interested should call Sean Fitzpatrick.

There are 55 ADM members unemployed. The Adm division has a portal for unemployed members seeking a job.
